

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### **Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

[NOTE:—The remainder of this journal, which extends to March, 1779, does not relate to the Revolution, contains little that is of interest, and is therefore omitted.]

South Killingly March ye 5 1777

I first Egaged in the C A or Service to Drive a team & Moses Wilder and Moses & John Robinson likewise all of Said Killingly I heard first of it last knight and the Sun about an hour high this mornng I Set out and went to Mr wilders & moses and I Set out and the Snow was very Deep & we went to Landlord willsons & Dinkt a littel flip for it was Exceeding Cold wd and then the 2 Robinsons overtook us for they Did Ride & about 10 Clock we Set out from there in order to go to Colchester where we was to take our teams well we put along and went through Pomphret & abinton Parrish into the Edge of windham and Lodged at John Parrishs and we had a good Supper of fried veal and Coffe or Chocolate I think and a good bed to lie in which Did greatly Refresh us

Early in the morning we Set out again & went into windham town and it was Exceeding Cold and we got W Jindea to Drink and then we went through the town and got a very good brakfast and we then Put along and it was Some Cloudy and not So Cold as it had ben and we went into lebenon and Refreshed us again and then into Colchester two mild west of the meeting house and it thawed a good Pace and looks Quite likely for Rain & we went to one Roger Buckleys and there was one Stephen herrick which Esq harskel had hired also and we got there about 2 Clock and it Rained Some in the afternoon and Just in the Evening it Snowed a littel Mr Buckley Come home from hartford & Said we must got to Danbury to Cart for the army and that I Did not very well like But however wilder and I went to Joshua Bucklys and Did lie in a bed and So it goes &c

7 was Some Cloudy & we fodderd the oxen & Branded them & the Carts and got Some wallnut & made us Some whip Stafes & Moses Robinson & I went all about the Neighbours and bought Some Blankets for now we knew we must lie on the floor and So it is yet But we live well Sider Eno and to knight I Did lie at Roger Buc

8 We Loaded our Carts with Pressd hay 4 Bundels Each & then we had 60 oxen 5 of us beside Esq harskel and he Drove a team as well as we But he had all the care about Pay'g for them as we traveled and we Eat Some Dinner to old gershom Bulklys and about two a Clock we all Set out for Danbury being in great haste for fear the River would brake up & we went 6 milds into Est haddam and Staid at one Olmstead and had the best of victuals to Eat and a bed to lie in and it was Quite warm and thawe and Stephen Herrick and Moses Robinson both turnd over their Carts the other Side up and it was Some thing warm for the time

9 in the Morning we yokte up our teams and went 2 or 3 mild to Moudos ferry or Landing and the ice was very week and we Sleded over the hay one half & then took the Carts over with one yoke and got all over Safe the other Side into old haddam and it was Cloudy all day after this and we went up the River Severel milds and it was very bad Carting Sir and Just at Dark it Begun to Rain finely and we Put up at a Private house and give them our own hay and I Did lie on the floor & it Did not agree withe me very well Sir Sower Bread and fat Pork and tators to Eat &c

10 in the morning I think it was Clear and we fodderd the oxen & then we Set Sail and it was up hill and Down almost Dreadful Carting indeed Sir But we got

along and went By haddam meeting house and at one Brainerds we got Some Sither and then we traveld along and went by one Small Pox house and I never See worse Carting in my life the Snow thawed & it was very hot indeed for the time year and we lugd along for we got or took the wrong Road and went away to the wright Down that hill that is above a mild and it was very Steep Sir and bad But we got Down into the hollow and there we found a house and barn and mill and Some Peopel alive well we fodderd our oxen with our own hay and Eat Some very good Supper and Did lie on the floor and this was in the Bounds of middeltown Sir and we are very well Contented I believe

11 was Clear and Pretty warm I think and we went Down the Brook and in the Road the Brook was for the hills was So Close to | | no other way be and we went through Durham town into Wallingsford town and Just at knight it was a littel Cloudy I think But we got our Cattel out a very good Place and then the old fellow gave us Some Sither and we went and Staid at one Clerks & Did lie on the floor and gave two pence a Peice for that

12 in the morning it was Cloudy and Rained Some and foggy and I was Lost for my Part N and South would not be wright to me But we Set out after we had grapeled a while upon that mind meat and 4 Square bean Porridge and we went along & the Snow Did thaw as fast as I Ever Did See it I think So the Road would be full of Brooks or warter Sir and wet feet to Day & it was very bad Carting But we Stopt at the good old mans house there and got a Dreadfull good Dinner and then we Put along and Staid in Shesher at one Doolittels a Leivtenant and there we fodderd our own hay out and

we Did lie in a bed and Sider Enough Sir and live very well Sir

13 it Rained very Cleverly and fast and the Snow melted a Pace and by and by after noon it Slaked a littel and we yokte up and went 3 milds and a half in Chesher Still and Staid at Land Lord Mosses and we Drinkt a bottel of Brandy and then a good Supper and he found our Cattel hay Sir and I think we Did lie in a bed and it is Pretty warm and thawe Surely it is and So

14 in the morning it was very Cold Sir and windy at the N-W and we got Some breakfast and then we Set out again and went a littel way and then we had a mountain to go up 1 mild or more I think they Say and we got along up the hill and then we got Some flip you See and then it was almost noon but we Put along through warterbury town Sir and it is very bad Carting to Day the Snow is about all gone and it is muddy Enough Quite Sir and we Staid at one Sperrys a new tavern it was it was So new that they gave us hot warter to Drink and Called it Chocolate and So it goes and I Did lie in a Bed at the other house and So about 13 mild to Day.

15 in the morning I Lookt over the Swomp and See the Sun Rise & it lookt Just like Spring and we Set out again and we got Some Dinner to Day and gave the oxen Some Corn and So it is Quite warm and we went through the woods & we Staid at one John muns and we fare well and Did lie in a bed and it was in the bounds of woodbury &

16 we went through woodbury Parrish Called Southbury and the Small Pox was very thick by the Side of the Street & we Came to the River and there was a

Drove of Cattel a Comeing over the fery & we Could not git over But 2 teams to Day and the Small Pox very thick about and I was Some afraid But we Staid at the Yellow house & we Did lie in a bed & live very well &

17 we went to work Pretty Early in the morning and Just got the teams over about noon and then we Pusht along into new town & Moses wilder & John Robinson we went a littel further then the Rest & we Staid at one boothes a very Clever Place But I have heard he was a tory But we fared Rite well and Did lie in a bed good hay for the oxen and So it was with us you See

18 we got breakfast and then we Started along and it was Pretty warm and we Did Climb along over the hills and got over one very bad Swomp and then over the hill or mountain into Danbury about 2 or three a Clock and it Lookt Some hazy and we went by the Church to John Mcleans barn and onloaded the hay and turnd out the oxen and then we went to Mrs Clarks and got Some Drink and then we went about and after a while we got Some victuals at Esqs thad<sup>us</sup> Bennedict and then we Did lie in Mcleans barn and So I have to live you See
